Perspectivas Climáticas

- REANÁLISIS Y PERSPECTIVA REGIONAL OTOÑO-INVIERNO 2025.
- PERSPECTIVA REGIONAL PRIMAVERA 2025 / VERANO 2026.
- PERSPECTIVAS LOCALES MAYO-DICIEMBRE 2025

PROF. ING. AGR. EDUARDO SIERRA

Especialista en agroclimatología

The image shows a wide, flat green field in the foreground, likely a crop field. In the distance, there is a thin line of trees and a clear horizon. The sky is a deep, dark blue with some lighter, wispy clouds, suggesting a late evening or early morning setting. The overall mood is calm but slightly somber due to the dark sky.

PERSPECTIVA REGIONAL OTOÑO-INVIERNO 2025.
