Perspectivas Climáticas

- REANÁLISIS Y PERSPECTIVA REGIONAL OTOÑO-INVIerno 2025.
- PERSPECTIVA REGIONAL PRIMAVERA 2025 / VERANO 2026.
- PERSPECTIVAS LOCALES JUNIO 2025 – MARZO DE 2026

PROF. ING. AGR. EDUARDO SIERRA

Especialista en agroclimatología

The background of the slide is a landscape photograph. The bottom half shows a lush green field, possibly corn, stretching to the horizon. The top half is a dramatic sky with dark, heavy blue and grey clouds, suggesting an approaching storm or late evening light. The text is centered in the middle of the image.

The image shows a wide, flat green field in the foreground, likely a crop field. In the distance, there is a thin line of trees and a bridge. The sky is filled with heavy, dark blue and grey clouds, suggesting an approaching storm or late evening light. The text is centered in the upper half of the image.
